Hi all,

Attached is a spreadsheet summarizing each of the comments provided by the IRT and our responses. Also attached are the word documents where changes have been accepted or made in response to IRT comments. Some figure edits are being made to provide additional clarity/correct typos and will be provided separately.

Land Veritas' attorney will be discussing some of your comments with the respective legal counsel.

We would like to schedule an IRT meeting the week of October 26th to finalize the BEI documents and work out any last details that need to be discussed.

Thank you all for your time and effort in reviewing these documents, we look forward to crossing the finish line.

These documents and some additional/updated reports that were requested but are too large to email are also available on our ftp site:
